**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have previously worked with all the giants. Subsequently, I have found a local competitor which does the job better for a fair price. It is important to keep a level playing field which allows for this kind of competition. I use this service at my home as well at my office; both of which I evaluated separately and still chose Sonic. I currently have fiber in my office and DSL at home and am pleased with my service. Please keep this kind of competition available.
