**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am choosing Sonic, a smaller ISP, because they actually hire knowledgeable people, they provide phenomenal customer support, and offer such uncommon services as for example, database hosting.

In this country there is nothing other than competition that pushes the customer prices down, because of traditional political hostility to regulations. Please keep at least the competition alive.
