**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic.net is the BEST ISP I have ever had. They offer excellent service by phone anytime I have ever needed it. Their price is very fair and competitive with other companies but their service is second to none.

We need more competition in all areas, not less. I now have phone service through Sonic via the Internet and it too is superior in service and cost than my former AT&T account.

We do not need price hikes and less service by the Big Guys who want to corner the market and control the costs to benefit themselves.

Let us have a fair playing field for all companies no matter their size.

Thank you.
