47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is great company, they are very professional and their network is the best in the business by far.

We all should be behind a company like Sonic.

No one knows how good this network is until you try.

I wish they expand their business with cellphones network provider, home security and television network.
