**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We support the SMALL BUSINESSES of America ! They are grass root companies that are vital for our economy and competition. They offer best customer service . You actually get a one on one real technical help. These smaller companies go out of their way to provide the BEST options and the BEST Services. Larger companies are only about the "Bottom Dollar". We need competition and not get eaten up by "CORPORATE" greed which is so much of what America is turning into or is now ! Sonic.net is one of the BEST broadband providers ! We have been loyal customers from the beginning and continue to do so !
