**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please consider with great urgency, the need for competitive providers for internet, cable and telephone services. Our local, and extremely reliable internet relies on the excellent broadband service of our provider, SONIC.

In our community, we depend upon local broadband providers!

It is imperative for both personal and business use, that we have ZERO price increases, and maintain our fiber optic connection.

Thank you for your attention and thoughtful consideration,
