**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am currently a residential customer for my local carrier, Sonic. This is not a major telecom company; it is local business that provides users like me quality internet and phone services at a reasonable price. As such, they provide competition to AT&T and Comcast, the other local choices in this area.

The US Telecom petition to revise the 1996 Telecommunications Act would have a material Impact on the services I currently enjoy.

Please deny this petition.
