**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am very happy with Sonic services and strongly oppose USTelecom petition. Please save competition, it helps consumers.

Sonic is a small ISP company and is a subject for pressing from big companies which are determined to eliminate a competitor. Please don't let it happen, support a healthy competition. Sonic provides me with much better and cheaper services than my previous provider big guy AT&T, that took increasingly higher charges with decreasing quality, and nothing I could do because of their monopoly, until I found Sonic.
