**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It took years before my neighborhood could get a competitive internet service and I was stuck with garbage service from Comcast at an unreasonable price. Competition is good for consumers and as federal entity you have a fiduciary duty to protect consumer interests over telecommunications companies.

Do the right thing - support broadband competition.
