**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a subscriber of Sonic in San Francisco and support local broadband competition. I am connected with competitive DSL, on copper wires that Sonic licenses from AT&T. I choose to subscribe to Sonic, rather than AT&T or other major telecom companies, because I value the stronger privacy protections offered by Sonic. I am very excited about the fiber expansion that Sonic has been working on in San Francisco for a number of years, but this fiber expansion has not yet reached my house. I want to continue to have access to Sonic's copper services so that I can continue to support Sonic's business as they work on fiber expansion in my area.

Michael Ricci
