**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a smaller california-based internet provider who offers excellent Fiber Optic service that the big ones (AT&T, Comcast) can't be bothered to offer. They also protect the neutrality and privacy of my data--please don't remove these anti-competitive rules! Consumers need choices, especially choices that offer high quality affordable service as meaningful competition to the major monopolies.

Thanks,

Steve Guilliams
