**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a local Berkeley provider for my internet, mainly for the fantastic service they provide, resulting in quick attention to my problems, help with connection challenges for me (senior member of the community).

Please allow these local providers to continue to serve our communities! We are already overrun by mega-this and mega-thats. Keeping my money local is more and more important, and using LMI allows for me to do just that.

Thank you.
