**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My provider, Sonic, is an independent internet provider which could easily be put out of business by internet price increases. I use Sonic because of AT&T's deplorable customer service. I teach an online course and depend on fast internet service to accommodate my customers. The internet must be kept competitive so that small business customers like myself can have a choice.
