**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I previously used Comcast for Internet service. They are over priced, and I continuously had problems, from periodically being without service, to very slow internet, both which interferes with my ability to work. Competition is important or this becomes the consumers only option. Big businesses have no reason to improve if there is no competition.
