**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'd imagine that you use an internet provider like most of us do. Aren't more choices better than just one or two? Actions like these prevent small companies like Sonic.net having a chance.

I'd encourage you to make a phone call to your ISP's customer service. If you like your experience then disregard my email. BUT, if you have an awful experience and wish there was an alternate to terrible customer service for an overpriced product, re-think passing this legislation.
