**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a residential consumer on a fixed income I strongly favor competition among internet providers!

Last year, broadband fiber internet became available in my area allowing me, after years of DSL service, to switch to a faster, more reliable service for virtually the same cost.

Please don't forget those of us who depend on competitive markets!
