**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use a small local provider that provides broadband service - they are fast, efficient, and fair, dedicated to a single price and no throttling. I don't want to be forced to choose among major telecom companies that fix prices and hold hostage the speeds I need for the material I want. I urge you to reject the US Telecom Petition that would stifle competition - which the FCC should avoid at all costs.
