**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We tried AT&T and truly it was expensive and didn't work well.

We love Sonic and the fact that there is important competition in the internet provider world.

Many people reach out on Nextdoor asking about what choices are out there for internet providers because AT&T & Comcast are simply not good in our area. I'm always happy to refer Sonic.

We use Sonic as our home phone service also.
