**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have multiple locations where we need broadband access. All of the areas are served by Comcast & AT&T except for one. There we had the option to use Sonic. I wish all are locations could be served by Sonic (or at least another independent like Sonic). Having the choice to go with a company like Sonic makes us feel we aren't beholden to monopolies that treat us like dirt. It's a pleasure dealing with a company that cares for our business, unlike the Goliath's who care less because they're the only option. Please protect our small independent providers.
