47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow broadband competition. Every industry deserves standouts- this one has it in some independent providers. I, for one, as a small business owner, really appreciate the opportunity for choice in providers. You already botched up the telecom industry once by breaking up ma bell- don't do it again by preventing competition.
