**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a former ATT customer I am aware of the lack of interest in customer service from such large companies when they have a monopoly. After years of paying for sub par service, I moved to a smaller internet and phone service provider who actually did provide a fiber service. I work from home and need the quality and service competition in the market place provides
