**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

No to price hikes, we need fair competition to ensure options. No monopoly of the internet, its a tool that everyone needs. Att internet was the worst, they would increase prices using small print so that when you had a bill you had no idea what for. Their customer service was horrible and every phone call required at least 30 mins being transferred and handed off.

Please protect small business and save local companies, they contribute to the community and offer better customer service.

Thank you,

Rosemarie Fuentes
