**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A small ISP is responsible for my fantastic internet service, and has outdone the big players in my market through clever innovation and pricing. This competition between ISPs is vital. The innovation of small ISPs keeps the market for internet service healthy. Please prevent the USTelecom petition from going through so that we can keep this market dynamic and benefit consumers everywhere.

Thank you,

Devin Riley
