**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom petition. This petition would disable competition and eliminate consumer choice, which is bad for all Americans. The USTelecom petition is a huge step backwards for competition and for consumers. The incumbent carriers have an obligation to share their network infrastructure with independent internet providers to equal the playing field. America thrives on competition. Let's make sure it stays that way. Reject the USTelecom petition.

Thanks,
