**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a great, small, fiber internet provider because they offered affordable and incredible high speed internet (1gb upload and download) that the big companies (AT&T, Comcast, Xfinity, and others) could not provide, or would with astronomical subscription price. This provider is critical to our community and our schools. Since many of our neighborhoods have switched to this provider, they generously have given our schools free high speed fiber internet access.

Preventing broadband competition will hurt everyone. DO NOT allow this to happen. We want and demand this competition to thrive.

Thank you.
