**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We want more competition. Without competition, prices will climb and choices will decrease. We can't let the powerful just become more powerful. Competition is the American way. Without it, capitolism doesn't work very well. Without competition, the big companies will pull out of rural communities.
