**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic Internet as my provider because AT&T and Comcast are expensive and unreliable. It's important to have the option of going to other businesses than the big providers, that are cheaper and provide real customer support as well. Please continue to keep broadband competition in the market.
