**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic as it provides unparalleled service, and at fair prices. I had used AT&T previously, but found that their price increases, and rather poor telephone assistance, difficult to accept. My wife and I both require decent broadband service, for business and personal reasons, and find that Sonic offers that, in combination with VOIP at a reasonable price. Their business should not be throttled, and thus the USTelecom petition must be stopped.
