**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The big Telecom companies behave like evil dystopian parodies of businesses, and you should feel incredibly guilty about betraying the people of this country if you allow them to stifle competition. Don't let them kill local broadband!

I use Sonic internet because they treat me like a human being and not just another part of their bottom line. Make sure you're on the right side of history, instead of on the side of campaign contributors or big business.
