**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am 59 years old, not making a lot of money. I say NO to price hikes that will increase the cost of internet and my phone. Also we could use more competition in my area. I need the internet to keep up with everything in my life work,family etc. I have great service with my competitive provider and feel that I should not have to pay more to a large corporation for the exact same service.

Thank-you.
