**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to live in a country with the freedom to choose. Internet is a very important commodity and freedom of choice seems very important here. Since the European Community has forced the big previously state-run companies to lease out their last mile of cable, DSL become much cheaper and faster. It is still expensive in the US!

Thank you,

Axel Simon
