**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have felt incredibly lucky to be able to choose Sonic as my internet and phone provider. The service that I receive from them is stellar. I have formerly used AT&T and Comcast, and had horrible customer service experiences with both.

Sonic is a gem of a company, and I am very concerned that they are in jeopardy. We need to have a competitive marketplace where companies like Sonic can exist and thrive.

Please don't limit the telecom market. Competition protects the consumer, and we need your help to ensure that these protections continue.
