**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our home uses a competitive broadband internet provider because their prices are lower and they provide much better customer service than the dominant, near-monopoly providers.

We urge you to make no regulations or rules that would compromise the broadband competition that makes such competitive broadband service possible.
