**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic net because they do not fudge and change their prices every promotional period and because the do not track my data like the other large companies.

They give competition to the large companies and keep prices down.

This type of broadband is important in my work and home life.
