**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and I rely on my home internet. Once upon a time, I only had one choice for DSL and it was expensive with an artificial cap reducing speed. When a choice of providers became available, there was a choice that was cheaper AND had higher speed (no cap). The new competitive provider also has excellent technical support. I do not want to go back to an internet monopoly.
