**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Let us not let the internet providers become a monopoly like so many companies have become. competition is important to me as a consumer. Companies like ATT have provided terrible service to my community and our complaints fall on deaf ears, because they have no competition. Let there be a fair playing field for all.
