**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I like the way that the Internet is set up right now. I belong to a small IPS that offers excellent service for an affordable price. The more competition there is for Internet users, the more innovation there is. Don't let the internet stagnate! I also believe the Internet should be NET Neutral.
