**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After years of paying a huge monthly bill to Comcast and getting poor service in return, I recently switched to a small competitive provider. I appreciate having the choice to make this switch. This is why approving the USTelecom petition would be a huge step backwards for competition and for consumers. I support broadband competition.
