**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I carefully researched providers before choosing Sonic - not only does Sonic offer the best price, but also the best service, best recommendations from other users and best guarantees. I have been really impressed by Sonic staff. The "big guys" eg AT&T, Comcast, etc NEED competition to keep them honest. Even with Sonic in the field, the "big guys" make little attempt at being competitive.

So, please don't poison the field against Sonic - they are providing an important service to the community.
