**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value the ability to have a choice and competition in the ability to pick the company for internet and phone service. I do not want to be forced to choose a certain company, or CenturyLink. I very much appreciate the price that is at a reasonable cost, with me being a older person I appreciate the ability to know what my cost will be. I also enjoy the speed of DSL, and the dependability of the speed that is involved. I do not want things different than they are now, thank you. I live in the country and the dependable service is very important to me as I live alone and am widowed. Thank you for the time to speak out on this matter.
