**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Our family uses a local Internet provider named Sonic. We are located in San Francisco and Sonic was founded in Santa Rosa nearby. We initially used Sonic as a broadband provider before fiber was available in our neighborhood. Sonic was and is critical for our affordable Internet, TV and phone services.

We would be adversely affected if Sonic had no access to UNE services.

Thank you.
