**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We want you to support broadband competition. I strongly oppose the USTelecom Petition. The USTelecom kills the competition. Please stop it NOW!

Broadband is so critical to us as consumers and small business. The broadband is so critical to us and we want more competitions. Please stop the attempt to kill small business. Remember, small business is responsible for 70% of American jobs.
