PLEADING FOR LEAVE TO FILE PETITION FOR RECONSIDERATION

Belmont Charter School, by its consultant, respectfully requests leave to submit a Petition for Reconsideration of the June 29, 2018 Order, DA 18-672, which denied Belmont Charter School's Request for Waiver for application #181042880.

Order DA 18-672 was released on June 29, 2018 and correspondence was distributed on July 5, 2018, dates when the school was not in session, the school's administrative office was closed for construction and maintenance, and the e-rate contact for the school was not available. The school only became aware of this correspondence on August 10, 2018.

Therefore, we would respectfully request the Commission accept the school's Petition for Reconsideration using August 10, 2018 as the date of service. That Petition is respectfully proffered herewith.
