**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been a subscriber with Sonic for several years and specifically chose a competitive provider that was local and Mac friendly. Sonic is broadband and is critical to my home and small business.

I am saying NO to price hikes that will increase the cost of internet and telephone services as I am on a limited income. I want to support local service with local people to keep our monies in Sonoma County.
