**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is my telecom provider because it is superior to exploitative, at best indifferent corporate behemoths in every way:

Less expensive in every way, more reliable,

Vastly, incomparably better, much more responsive and competent service.

It would be yet another reason to hate government if you force me back to the monsters.

We will now learn whether FCC serves mega-monopolist exploiters or the public.

Sincerely,

B Dudney, M.D.
