**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Leaving the consumers without choice will only create another monopoly. As consumers yourself must know that this is a BAD idea.

High cost of everything will only lead our country in a more negative course, take away the ability of small business opportunities, which this country was based on.
