**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is good, more competition is even better. While everyone hates having to compete, it is only because competition causes us to have to work harder, without competition we become lazy and unimaginative.

Please keep broadband open to competition, great service and fair pricing.
