**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition! I am a user of Sonic for my internet service and am so much more pleased with the service from this company than I ever was as a user of AT&T. Their service is personal, prompt, and effective. NO to price hikes that will increase the cost of internet and telephone services. I also use Sonic for telephone service and am very pleased with this service as well.
