**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After getting internet service through big companies for several years, I switched to a local company and now I get much better service and a better connection at a lower price.

I do not want to see the large companies crowd out small competitors because competition is good for the industry overall.
