**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a San Francisco resident and I have been a Sonic customer for over eight years. After switching from my old provider (AT&T), my broadband speed increased by over 40% on the same line, while AT&T was claiming that the current speed was max'ed out. Sonic provides high quality service for a very competitive price! I don't want to be marginalized by local giant internet providers because they have lost interest in common customer.
